FEE ESTIMATES, effective January 2021:

*The cost of psychiatric and medical services are difficult to predict exactly and each visit is determined by patient complexity, concerns addressed during the visit itself, issues that occur in between appointments, in addition to the total time required of M.D. on the day of the visit. These estimates are provided for planning purposes only.*

New Patient Evaluation/ Consultation --

Evaluation generally occurs over 2- 3 hours, \$1300

(Occasionally a new patient evaluation will require longer than 3 hours. These will be charged a higher rate determined by the amount of time spent by M.D., or additional visit(s) will be scheduled to complete the evaluation and will be charged separately.)

Follow-up visits --

Estimate for visits requiring > 20 min, \$225

Estimate for visits requiring > 30 min, \$300

Estimate for visits requiring > 45 min, \$375

Estimate for visits requiring > 60 min, \$450

Estimate for visits requiring > 75 min, \$525

+ Longer visits, charges are proportional to the time spent by the M.D.
